Dear Cousin George,

Thank you for your letter. My sister Clorma is c/o 45 N.E. Oakley, 35 Welfare Parade, Burnwood 3125. And brother John lives at unit 1/56 Pakington St, Kew, 3101. Margaret died a few years ago. John is currently on holiday and will no doubt be in touch with you on his return. It was great hearing from you, and Gay and I, and maybe our two children and their families will endeavour to attend the reunion of the "Pescott Clan" at Easter 2002 in Geelong. Last time I heard that your brother Dick was living at Gundagai or Goulburn. We have lost contact with Max and Judith Pescott.

You are living in a very picturesque area on Jarvis Bay N.S.W. We visited Vincentia on holiday about 20 yrs ago and loved its charm. At this stage we will endeavour to keep Easter 2002 free. All the best for now. Regards, Bill.

Dear George & Shirley,

Happy New Year. We have been thinking of you and hope the fires raging towards Haskisson and Vincentia did you no damage. We received your latest Communiqué Dec. 11th 2001 and I know you would like your records accurate, so here are some corrections and amendments to our family tree, as follows.

1. Stay and my marriage date : - 6-8-1960, not 6-9-1960.
2. Joanne Meredith Heathcote married REINDER JACOBUS DORLAND, not RENÉ JACOBUS DORLAND.
3. SARAH COURTENAY Lockwood, not SARAH COURTNEY Lockwood.
4. SOPHIE NICOLE DORLAND b. 10-7-2000.
5. THOMAS ~~HEATHCOTE~~ KING. should be I think THOMAS PETER JOHN. Norma will know.

All the best for now,

Bill.
